

Chairman's Report 2020

Milton Keynes Prostate Cancer Support Group

Ladies & Gentlemen

I am honoured to submit my annual report to the members of the MKPCS group.

I would like to take this opportunity to thank you all for your valued support through this difficult year.

A special thankyou to our patrons Mr Henry Andrews and Mr Tom Leslie for their continued valuable support and encouragement.

As you are aware, we have not been able to meet up with you since April of this year, since the Shenley Wood Village went into total lock down and still. We the committee were lucky enough to meet up once at Windmill Hill Golf Club, and since then the latter decided only members can visit the club before the total lock down as we speak. though we had several Zoom meetings.

We only had fewer activities at the beginning of the year those are:

Monday 13th January

Talk by Sally Burnie Head of Cancer Services and Lead Cancer Nurse at MKUH

Sally gave us update on the new Cancer Centre at MKUH. she was accompanied by Angela Sheldrick who led Discussion on how patients receive results of tests & procedures.

Monday 2nd March

Meet and Chat, which was highly successful evening, members exchanged ideas on different treatment and general discussion.

Tuesday 10th March

This was our last event of this year, we carried out an Awareness Presentation at Lovat Fields Retirement Village.

Also, we were represented at the 2020 Tackle AGM and Conference which was held on Zoom on 8th September.

Our planned PSA testing for the community in October,20 had to be cancelled due to Covid-19, we are hoping to reschedule this event in the spring of 2021.

As you may be aware our AGM is on Monday the 7th December, which will be conducted through a Zoom Virtual meeting, some members expressed their wish to join this virtual meeting.

I would like to take this opportunity on behalf of the committee, in Thanking Morag Bell who Temporally took on our vacant Secretarial position in helping us with this Demanding post.

Wishing Mo All the Best.

Thank You

Sam Younan – Chairman
